

STARCHEM

RP-70 OD

Rust Preventative Oil

GENERAL DESCRIPTION

RP-70 OD is a general-purpose, solvent and oil-based rust preventative. This product contains a highly effective organic corrosion inhibitor that provides a minimum of 1-year indoor storage.

RP-70 OD leaves an oily protective film that readily displaces moisture from metal surfaces.

RP-70 OD can be applied by dipping, rolling or brushing.

ADVANTAGES

- Protects cast iron, steel, aluminum and copper alloys
- Provides a minimum of 1-year indoor protection
- Can be applied to wet or dry parts
- Leaves a thin film that displaces water
- Very low odor
